

# BitSoley: Lighting the Future of Haiti

# BitSoley: Lighting the Future of Haiti

*White Paper | v1.0 | August 2025*

## 1. Introduction

BitSoley is a decentralized, Haiti-focused cryptocurrency project built to empower economic development, improve health accessibility, support food programs, fund scientific research, and provide free IT education for the people of Haiti. Rooted in the meaning of its name Soley (sun) BitSoley represents new beginnings, sustainable power, and a bright future.

## 2. Mission Statement

"To power Haiti's rise through decentralized technology, health equity, food access, science, and knowledge."

## 3. The Problems We're Solving

- Limited access to healthcare and essential medical infrastructure.
- Widespread food insecurity and malnutrition.
- Lack of local research labs for scientific advancement.
- Barriers to education in IT, coding, and digital literacy.
- Heavy reliance on remittances and unstable banking systems.

## 4. BitSoley's Core Goals

### 1. Health Accessibility

- Fund mobile clinics and health stations
- Enable crypto donations to NGOs
- Launch health grants

### 2. National Food Program

- Crypto-powered food distribution

# BitSoley: Lighting the Future of Haiti

- Partner with farmers
- Promote sustainable farming

## 3. Scientific Research and Labs

- Support Haitian scientists
- Build research labs
- Tokenize lab support

## 4. Free IT Education

- BitSoley Academi launch
- Free coding courses
- Internet and laptop support

## 5. Tokenomics

Token Name: BitSoley

Symbol: BSO

Total Supply: 1,000,000,000

Blockchain: Binance Smart Chain (BSC)

Initial Price: ~\$0.01

Decimals: 18

## Token Distribution

- 25% Community & Airdrops
- 20% Development Fund
- 20% Health & Food Impact Fund
- 10% Research Grants
- 10% Founder & Team (locked)
- 5% Partnerships
- 10% Liquidity & Listings

# BitSoley: Lighting the Future of Haiti

## 6. Utilities of BitSoley

- Payments for healthcare and food
- DAO governance participation
- Support science and education
- Earn staking rewards

## 7. Roadmap

Q3 2025

- Branding + Smart Contract Audit
- Token launch on Testnet
- Community building

Q4 2025

- Token sale
- DAO launch
- Health & food partnerships
- BitSoley Academi prototype

2026

- Launch clinic and lab
- Food token rollout
- 1,000+ IT students onboarded
- Exchange listings

## 8. Governance (DAO Model)

BitSoley will adopt a DAO model where holders vote on:

- Health & science grants
- Treasury spending
- Partnerships

1 token = 1 vote.

# BitSoley: Lighting the Future of Haiti

## 9. Partnerships & Integration

Seeking collaboration with:

- Haitian clinics, doctors
- Agriculture NGOs
- Universities
- IT education platforms

## 10. Conclusion

BitSoley is a movement to rebuild Haiti through technology, equity, and innovation. Join us in bringing the sun to Haiti.
